Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

William Tell Told Again

This is the classic story of William Tell – Swiss patriot and great apple–shooter – as seen through the eyes of English humorist P.G. Wodehouse. No Swiss were (permanently) injured in the telling of this story; however, results differed for Austrian tyrants. The original volume also included a humorous poem encapsulating the whole Tell legend, written by John W. Houghton to accompany the sixteen color illustrations. For this audiobook, the stanzas have been collected and read as a single poem. (Introduction by Mark F. Smith)
